

May 10, 2021

Dear all,

Greetings and thanks for your continued support of SCAJ.

Specialty Coffee Association of Japan (SCAJ) is holding the "SCAJ World Specialty Coffee Conference and Exhibition 2021" at Tokyo Big Sight Aomi Exhibition Hall A from November 17 to 19 this year.

We started recruiting exhibitors in March, and many exhibitors have already applied.

SCAJ will continue to prepare for the event while we will ensure that everyone can exhibit in a safe and secure state while complying with the infection status of the COVID-19 and the accompanying requests from the government.

A state of emergency has been declared in some areas of Japan, including Tokyo, and the situation is still unpredictable. Considering the situation, we have revised the cancellation policy for the exhibition fee as follows.

■ **SCAJ2021 Cancellation Policy Partially revised (added)**

‘Response to the impact of the new coronavirus (COVID-19) infection on the exhibition’

If it is determined that this exhibition cannot be held due to a request from the Japanese government, local governments, or related organizations due to the influence of the new coronavirus, the exhibition fee paid will be fully refunded.

* Please note that if exhibitors cancel the exhibition at their own decision, exhibition fees shall not be refunded based on the exhibition “Terms and Conditions”.

We look forward to your continued understanding and cooperation.

Best regards,

Katsuhiko Hasegawa
Committee Chair
Exhibition & Conference Committee
Specialty Coffee Association of Japan
